

## **REQUEST FOR PROPOSAL SNOW PLOWING SERVICE**

The Village of Park Ridge is seeking proposals for snow plowing services for the Village streets to include salting/sanding. Proposals should take into consideration the following details:

- 5 miles of roads – please contact Village Clerk for map.
- 2 alleys (behind ODC building & Hofmeister alley).
- The lot behind the Village Hall (extremely important – Fire Dept garage for trucks).
- The trigger depth is normally 2” snow or less if requested by Village official.
- Limited use of salt when/where needed for safety (to protect the Village’s private wells south of Highway 66).
- Services will be on call 24 hours a day, 7 days a week during the contract period.
- Contract period will be November 15, 2021 to April 15, 2022. Will consider 2- or 5-year contract.
- Contractor will agree to reimburse residents a maximum of \$75.00 for damage to mailboxes caused by plowing (material receipts provided by resident).
- Contractor will provide proof of insurance; including proof of insurance for any subcontractors.
- Contractor will include a price for necessary snow plowing needed outside of the contract period.

**The Village Board has set a deadline of July 29, 2021 @ 2:00 pm to submit proposals.**
