The Village's strategic planning effort is underway, and we want to engage interested community members in this workshop. Participants will be asked to share input such as: something special you like about Park Ridge; thoughts about what the Village does well, could do better, or should be sure to address; and hopes for the future of Park Ridge. A brief summary of responses from a recent survey about community facilities and services will also be presented.

Everyone in Park Ridge is invited to attend in-person or remotely per instructions below.
